**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business owner with a home office and before Sonic, I was at my wit's end with high prices and ZERO service from big name providers like AT&T and Comcast.

Local companies, like Sonic, provide excellent customer service, employ members of my own community and save us small business owners a LOT of money. Not only are the fees lower but I spend less time troubleshooting inferior service.

PLEASE keep the playing field level for the local guys. They matter!
